

Downloading

Using

To download free music go to www.duluthlibrary.org. From the Downloads menu, choose “Freegal Music.”

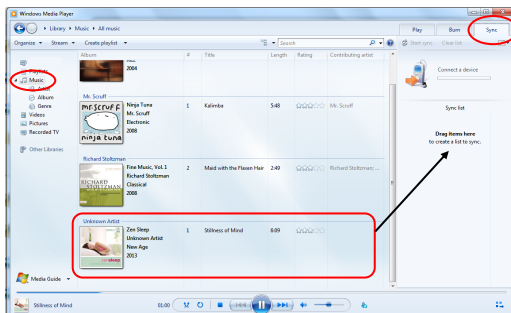

- Login with your library card number and your PIN or password. Your card must start with 21256 and be in good standing in order to download music or videos.
- Find a song or video (a video will count as two downloads) you wish to download by searching or browsing.
- Click the  button to download the song or video, or to add it to your wish list.
- (Note: when you click “Download Now” you will use one of your five weekly downloads regardless of whether or not you cancel the download. Music videos will count for TWO of your weekly downloads.)

- A large arrow on the lower left of the screen will point to the file download to the tray of Google Chrome.
- Click on the arrow to the right side of the file to display a menu of options. Click “Show in folder.”
- Move the file to your Desktop or your preferred location by dragging and dropping the file.
- To listen to the song or to view the video with your media player software or sync to your mobile device, double-click the file from your saved location.

For Windows Media Player:

- Connect your device and drag and drop songs from Music into Sync tab.

For iTunes:

- Open iTunes then drag the file from the desktop to the open application. The next time you sync your device the Freegal file will be both on your “home base” computer and your mobile device.
